6. Handling and Storage

Storage: Store out of direct sunlight and away from sources of heat.

7. Exposure control/personal protection

Exposure limits: Not applicable (EH 40 UK)

Respiratory protection: Not applicable.

Skin protection: Wear suitable gloves. (See section 10).

Eye/face protection: Not applicable.

Other: Wash hands after each work period and before eating.

8. Physical and chemical properties

Appearance: Solid (supplied in rolls)

Specific gravity: 1

Odour: Essentially odourless

Vapour pressure: Not applicable

Lower explosion Limit %: Not applicable

Upper explosion limit %: Not applicable

Boiling point °C: >150

Melting point °C: Not applicable

Flash point °C: Not applicable

Solubility in water: Insoluble

Flammability: Non flammable

9. Stability and reactivity

Conditions to avoid: High temperatures

Materials to avoid: Oxidising agents, strong acids and alkalis.

Hazardous decomposition products: Not applicable.

10. Toxicological information

The products contain trace PCAs, contact with skin should be avoided.

11. Ecological information

Not readily biodegradable.

12. Disposal considerations

Dispose of product in accordance with local regulations.

13. Transport

Special precautions in carriage: None
